

SUP AIR

BALANCE 11'0"

Balance 11'0" SUP paddle board is an all-around stable and durable inflatable SUP board. Balance 11'0" SUP board has the best ratio between length and width ensuring maximum stability. The board shape offers an excellent glide and speed. The board is equipped with **3 fins** 1 removable center fin for excellent tracking and 2 permanent side-fins for enhanced surf performance.

The Balance SUP board suits for a **wide range of activities** and all bodies of water. The Balance board is equally fun exploring the coastline, using in wavy waters as well as using as a platform for kids to play and swim from. This SUP board is ideal for families as it is suitable for a wide range of users, from beginners to intermediate and SUP enthusiasts.

The Balance 11'0" SUP board has a **full deck pad**, which makes it more comfortable and safer to use. The full deck pad is also useful if you wish to take your dog out on an adventure. The board is equipped with leash holder, towing handle and practical deck cords for conveniently storing your flip-flops, water bottle and everything else needed for a day trip. The Balance 11'0" SUP board is made out of high quality Dropstitch material and the set includes everything you need to get-out-on-the-water (board, backpack transport bag, 3-pc travel paddle, 2-way pump, leash, repair kit & fin) and its inflatable construction makes board very easy to transport and store.
